

REMINDER: GEOSCIENCE FORUM IS COMING FAST!

REGISTER NOW – ONLY 3 WEEKS LEFT!

Dear Colleagues,

Geoscience Forum is fast coming upon us, with only 3 weeks to go before our November 24-26 event in Yellowknife. If you haven't done so already, register for the conference [HERE](#).

Presentations: We have a great lineup of 121 speakers this year in the following [sessions](#):

- Geoscience and Exploration
- Slave Province Surficial Materials and Permafrost Study
- Petroleum in Canada's North
- Environmental Monitoring and Research
- Impacted Environments: Understanding the status and fate of impacted environments in areas of new development
- Infrastructure and Innovation
- Community Engagement and Education
- Regulatory and Policy Updates
- Mining: Building our Future

Tradeshow registrations are filling quickly and we have 92 confirmed exhibitors to date. Join them in showing off your expertise and wares by contacting the [conference coordinator](#).

Sponsorships: We are always grateful for our sponsors who help make the event possible. If you wish to be a sponsor, and for a current List of Sponsors, click [here](#). For a summary of the various levels and benefits of sponsorship, click [here](#). If you would like to be a sponsor, contact the [conference coordinator](#).

Workshops: We have three informative [workshops](#), one of which is free. While you do not need to register for the conference to attend the workshops, you must still register for the workshops using the same registration process. Click [here](#).

Attendance is climbing, with 460 registrants to date. Add your name and register [HERE](#).

Tell your friends and colleagues about the event. The more the merrier!

WE LOOK FORWARD TO SEEING YOU IN YELLOWKNIFE!
