## **REMINDER: GEOSCIENCE FORUM EARLY BIRD REGISTRATION CLOSES OCTOBER 31**

Dear Colleagues,

November is quickly approaching and with it the 42<sup>nd</sup> annual Yellowknife Geoscience Forum scheduled for November 25-27.

A big **REMINDER** that Early Bird (cheaper) registration is available up to and including **October 31, 2014**.

Register online now before the rates increase. You can do that through the Chamber of Mine's website at <http://www.geoscienceforum.com/registration>.

Abstracts have now all been submitted and we have an exciting line-up of speakers for you.

This year's presentation program will include a three-day talk session on Geoscience and Mineral Exploration in the NWT and Nunavut. Presentations that focus on the results of recent geoscience research and exploration activities are welcomed.

Check out the four [workshops](#), three of which are free. You do not need to register for the conference to attend the workshops, but you must still register for the workshops using the same registration process.

Please forward this email to your colleagues who may not have received the first call for abstracts. Other sessions can be viewed online.

**We look forward to seeing you in Yellowknife!**

For more information on the NWT and Nunavut mining industries, please visit the website at [www.miningnorth.com](http://www.miningnorth.com) or contact Tom Hoefer, Executive Director at Tel: 867-873-5281 or email: [executivedirector@miningnorth.com](mailto:executivedirector@miningnorth.com).
