

NWT Mining Week

Mining Week in Yellowknife is a promotional event sponsored by the Government of Northwest Territories, to celebrate our industry with the public. Mining Week - May 25-30 in 2026 - allows us to show the public some of what we do and how our industry benefits northerners and Canadians in general.

Several events - free and open to everyone - are held, including the annual Chamber of Mines Miner's Picnic on Saturday May 30 from noon to 3 p.m. at the Yellowknife Multiplex fieldhouse parking area.
