THE MINE RESCUE COMPETITION AND MINERS' PICNIC IS BACK!

Diamond, iron, and gold mines from the Northwest Territories and Nunavut will be testing their first response skills in a friendly head-to-head competition. This year organizers are also excited to welcome a visiting team representing Rio Tinto Copper, which includes participants from the Kennecott Mine in Utah and Resolution Copper Project in Arizona. Come cheer on our competing teams who put it all on the line to keep others safe, and enjoy a free community BBQ during the Miners' Picnic.
