Note: This Job Description describes the Nunavut General Manager as reporting to the General Manager based in Yellowknife.

To reduce confusion, the Chamber General Manager is a new position that will eventually transition into the role of Executive Director.

JOB DESCRIPTION

General Manager, Nunavut

PURPOSE

Since 1967 the Chamber of Mines (hereinafter the “Chamber”) has been the voice of the Northern mining and exploration industry. The overall goal of the Chamber is to promote the industry to northerners, Canadians and the world at large.

The Chamber’s Vision is: *A strong minerals industry that benefits the Peoples of the North.*

The Chamber’s Mission is: *To provide leadership on, and advocate for, responsible and sustainable mineral exploration and mining development in the NWT and Nunavut.*

The Chamber engages and advises public and Indigenous governments, regulatory agencies, investors, communities, Indigenous groups, non-governmental agencies, the media, schools, post-secondary educational institutions, and the general public. The Chamber’s primary objective is to encourage, assist and stimulate the prosperous, orderly and environmentally responsible development and growth of mining and mineral exploration in the NWT and Nunavut.

SCOPE

Reporting and accountable to the General Manager, the General Manager (GM), Nunavut contributes to achieving the goals and objectives of the Chamber as determined by the Board of Directors. The GM Nunavut is key to service and program delivery as well as Chamber operations in Nunavut. The GM Nunavut provides advice and support to the General Manager, Executive Director and the Board on all matters related to the Chamber in Nunavut, including acting as point of contact for the Nunavut exploration and mining industry.

PRINCIPAL ACTIVITIES:

The GM Nunavut works to achieve the Vision and Mission of the Chamber in Nunavut by:

- Implementing and delivering on the Strategic Plan, including working to achieve the Chamber’s goals & objectives for Nunavut;
- Making decisions, taking actions, establishing practices, and developing programs, in compliance with the Chamber’s policies; and
- Maintaining an office and Chamber presence in Nunavut as an extension of Chamber programs and operations in Yellowknife.

The GM Nunavut provides advice and support to the General Manager, Executive Director and the Board by:

- Advising the General Manager, Executive Director and the Board of Directors on Nunavut issues that may affect the Chamber or its members;
- Representing the interests of Nunavut members, by organizing and participating in working groups of the Board and/or participating in other Nunavut organizations to address issues of interest and concern;
- Providing the members and working groups with information that informs their decision-making, monitoring and incidental purposes;

JOB DESCRIPTION

General Manager, Nunavut

- Informing decision making or actions by the Board through preparation and presentation of correspondence, briefings, research and reports;
- Ensuring the interests of Nunavut members are presented to the Executive and Board of Directors in a timely manner for any decisions on implementation in accordance with Chamber policy, budget and directives;
- Informing the Executive and the Board on administrative, financial, legal, and procedural issues related to Nunavut;
- Researching information as requested or as is required to inform Chamber operations or decision making especially on new or emerging issues related to Nunavut;
- Identifying and taking action on Nunavut issues in conjunction with Nunavut members;
- At the direction of the General Manager, Executive Director, negotiating and administering funding or other agreements with various governments, business development agencies and land claim organizations and Institutes of Public Government (IPGs);
- Representing the Chamber and membership at various meetings; and
- Scheduling, planning, organizing and following up on public meetings and community consultations related to Chamber activities, as appropriate.

The Chamber is a small organization, and the GM Nunavut will also assist and participate in Chamber activities that serve the interests of members in both jurisdictions, e.g., communications and public awareness activities, at the direction of the General Manager or the Executive Director.

The GM Nunavut acts as point of contact for the NWT & Nunavut Chamber of Mines in Nunavut and the Nunavut mining and exploration industry by:

- Establishing and maintaining positive professional relationships with representatives from federal and territorial governments, land claim organizations, institutions of public government, other industry and business associations, companies, and the general public;
- Providing professional representation for the Chamber in public, community and other forums ensuring the Chamber's voice on Nunavut issues is heard in an impactful way;
- Establishing a "positive public image" for the Chamber by planning, supporting and attending events, conferences and activities in Nunavut (including the Nunavut Mining Symposium), the NWT (including the Geoscience Forum), and elsewhere in Canada/
- Preparing and delivering presentations, speeches, regulatory submissions at various public and government forums; and
- Providing interviews and writing articles to explain Chamber initiatives, policies and positions as they apply to Nunavut.

The GM Nunavut manages the Chamber's operations in Nunavut by:

- Preparing, in regular consultation with the General Manager, Executive Director, Nunavut members and other Chamber members and staff, operational plans, and budgets for approval by the Board;
- Delivering on approved plans and budgets, including preparing funding applications and submitting activity and annual reports to funding agencies as required by those agencies;
- Advancing the NU office to self-sufficiency by soliciting new memberships, taking on revenue-generating projects, seeking outside funding support, etc.; and

JOB DESCRIPTION

General Manager, Nunavut

- Enhancing public and investor awareness by participating in public activities (i.e., trade shows, speeches, presentations, and by developing and distributing promotional and educational materials and a variety of Chamber communications tools.

EDUCATION & EXPERIENCE

- Degree in the geosciences, mining engineering, business management, political science, communications, education or social science fields;
- Experience working with elected Boards and not for profit organizations;
- Experience working with governance and operational policies;
- Experience in working with a variety of partners/funders, including industry, government, Designated Inuit Organizations and knowledge of their funding processes and programs;
- Experience working in the minerals industry would be an asset; as would experience in managing events and in running a small office with minimal assistance.
- Equivalencies may be considered.

KNOWLEDGE, SKILLS AND ABILITIES

- Knowledge of northern and Inuit communities, and their political, socio-economic and cultural environment.;
- Knowledge of the northern minerals industry, the mining cycle and the potential for minerals development in the North, including the Nunavut Agreement;
- Knowledge of natural sciences, in particular, geology, would be an asset;
- Able to deliver effective multi-faceted marketing, communications and educational plans and relevant communications tools, organize and participate in public events including career fairs, conferences and tradeshow;
- Able to work on a team where geographical challenges exist and able to work cooperatively with staff, volunteers, and other organizations;
- Able to create and manage budgets within an established framework and to prepare funding applications. Where funding is approved must be able to prepare and submit activity and annual reports fulfil funding agency requirements;
- Proficient in MS Office, specifically PowerPoint, Excel, Word, Outlook, social media.
- Ability to research and make effective use of the Internet;
- Must have excellent written and verbal communication skills, including public presentation skills;
- Ability to work without day-to-day supervision but able to take direction and feedback from the General Manager;
- Ability to summarize complex issues in concise briefing notes, on short notice, for the General Manager, Executive Director and the Board.

JOB DESCRIPTION

General Manager, Nunavut

WORK LOCATIONS & CONDITIONS

- This full-time, salaried position is based in the NWT & Nunavut Chamber of Mines' office in Iqaluit, NU.
- The hours of work are 8:30am to 5pm Monday to Friday;
- The GM Nunavut is expected to work some evenings and weekends for public awareness events such as Geoscience Forum in Yellowknife, the Nunavut Mining Symposium in Iqaluit and other annual industry conferences such as PDAC in Toronto and Round-up in Vancouver. Some travel to northern communities may be required;
- The work schedule is dependent upon operational needs and may be subject to change when travelling to communities or due to weather; and
- The GM Nunavut will occasionally be required to work at inside and outside venues and in all weather conditions.

PHYSICAL REQUIREMENTS

- Physical demands of the job will be moderate and could include the requirement to carry moderately heavy boxes and display materials to various public and community events.
- The incumbent may be required to stand for extended periods during public presentations and trade shows, and to sit for extended hours working on a computer or attending meetings.
- Travel on small aircraft may be required.

REPORTING

- The GM Nunavut will report to the General Manager and will work cooperatively with the Executive Director, Office Manager and other staff in Yellowknife.
- This position has no direct reports.

SALARY

- Compensation will include salary commensurate with experience and education and a comprehensive benefits package.
- A northern allowance and a housing allowance is included in the compensation package for this position.
